CLINT

Wow how did you get the weekend off?

Clint drinks all his wine, then kisses Lisa. Lisa pushes Clint on to the bed.

LISA

My patient's daughter will be taking care of her.

Lisa gets on top of Clint, Clint gropes Lisa butt. Lisa grabs handcuffs from underneath the pillow, and handcuffs Clint hands to the bed.

CLINT

Where did you get those handcuffs from? My baby getting a little kinky! We have to stop watching those pornos!!

Lisa drinks the rest of her wine.

LISA

Tonight I want to have my way with you!!

CLINT

Do you baby!! Tease me and please me!!

Lisa goes to the night stand and grabs two pieces of rope and ties Clint feet to the bed.

CLINT

Ease up just a lil bit, and pour some more wine down my mouth!!

LISA

That's the wine talking, man up! I told you, I wanna do this my way!

Lisa grabs the wine and throw some in his face, then gets the letter off the night stand.

CLINT

use protection? How can I live
knowing I have a disease that
there's no cure for,and in the end
